

# PIAZZA

Classic ceiling and wall mounted luminaire.  
Durable and eco-friendly soft illumination  
with in-built future proofing.

## Luminaire Structure

- Eco-friendly LED product for energy saving and visual consistency.
- Durability with future proofing.
- Extremely energy efficient with output equivalent to a 40W T5, up to 25% energy consumption.
- Dimming options available.
- No LEDs visible due to the specifically designed lens.
- Soft upward illumination through the sides of the lens.
- Excellent CRI for actual colour reproduction.
- Die-cast aluminium / White coated
- Thermal tested and controlled
- Injection moulded twist fit lens
- Poly carbonate lens
