

## Nicolaudie - SLESA-U9 (A60491)

A60491

### Product description

### Technical information

The Nicolaudie SLESA-U9 is a standalone USB based DMX256 (expandable up to 512 channels) lighting controller with 20 scenes and 1 zone. This simple and reliable control allows dynamic lighting scenes to be programmed quickly and easily through the ESA2 software for uninterrupted independent operation.
